# ABOUT US

# OUR STORY

Loomtex is an extension of Malaika Textile that operates in Istanbul, Turkey as a leading brand in the textile sector, with a strong focus on quality, trust, and sustainability. Founded in 2013 under the vision of Sarah Okan and Omar Malaika, the company plays a pioneering role in production and supply across various industries, primarily in security, workwear, hospitality and the healthcare sectors.

The company is managed by a team of qualified and experienced professionals that ensure optimum quality, reliability and customer service. Its management and warehouse staff together consists of 50 employees. Meanwhile, the production workforce, spread across 8 different facilities, reaches approximately 400 employees, forming the backbone of Malaika Textile's operational excellence.

The production ecosystem is designed with the flexibility to adapt to customer needs, enabling the company to respond quickly and effectively to increases in demand across a variety of industries. The ability to scale up our workforce expands Malaika Textiles's production capacity but also provides the flexibility to deliver tailored solutions to clients.

# PROFESSIONAL GASTRONOMY COLLECTION

Our collection is designed to meet the demands of modern gastronomy. From chef uniforms to service wear and aprons, each piece combines functionality, comfort, and refined aesthetics. Elevate your team's appearance with durable materials and timeless design.

---

## CLASSIC CHEF JACKETS

Designed for everyday performance in professional kitchens, our chef jackets combine durability with refined simplicity. Breathable fabrics and ergonomic cuts ensure maximum comfort during long shifts, while the clean design maintains a timeless and professional look.

## DURABLE FABRIC

Engineered to meet the demands of professional environments, our fabrics are developed for exceptional durability and long-term performance. They are resistant to frequent washing, daily wear, and intensive use, making them ideal for kitchens, service areas, and high-traffic workplaces. The material structure maintains its integrity, color, and shape over time, ensuring that each garment continues to look professional even after extended use.

# CLASSIC CHEF PANTS

Designed for comfort and functionality in demanding kitchen environments. Our chef pants offer a perfect balance of durability, flexibility, and modern fit. Elastic waists, breathable fabrics, and practical pocket details ensure ease of movement throughout the day.

## CLASSIC WAITER SHIRTS

Tailored for a clean and refined appearance, our waiter shirts deliver both elegance and comfort. Lightweight fabrics and modern cuts ensure ease of movement, making them ideal for fast-paced service environments.

## BREATHABLE COMFORT

Comfort is essential for professionals working long hours, which is why our fabrics are designed with breathability in mind. The material allows air circulation to help regulate body temperature, preventing overheating in fast-paced and high-temperature environments such as kitchens and service areas. Lightweight yet structured, the fabric provides ease of movement without compromising on appearance. This balance ensures that wearers stay comfortable, focused, and confident throughout their shift.

## CLASSIC WAITER VESTS

A timeless essential for a refined service look. Our waiter vests are tailored to provide a perfect fit, combining elegance with comfort. Durable fabrics and clean lines ensure a professional appearance throughout the day.

## PROFESSIONAL APPEARANCE

Designed to reflect a refined and consistent brand image, our garments combine clean lines with modern tailoring to ensure a polished and professional look. The fabrics hold their structure throughout the day, preventing sagging or deformation, while maintaining a smooth and neat surface. Whether in the kitchen or front-of-house service, our uniforms help teams present a cohesive and confident appearance, reinforcing professionalism and attention to detail in every setting.

## CLASSIC WAITER APRONS

Designed for practicality and everyday use, our aprons combine durability with a clean, modern look. Functional pocket details and adjustable fits provide comfort and efficiency throughout busy service hours.

## EASY CARE & MAINTENANCE

Our fabrics are designed to simplify daily use and maintenance, offering practical benefits for both individuals and businesses. They are easy to wash, quick to dry, and resistant to wrinkles, helping garments maintain a clean and polished look with minimal effort. The color retention and fabric stability ensure that uniforms remain consistent in appearance even after repeated laundering.

# CHEF HATS & CAPS

Essential accessories for every professional kitchen. Our collection of chef hats and caps is designed to provide comfort, hygiene, and a refined appearance. Lightweight materials and breathable structures ensure all-day wearability.
